logitech

A FAMILY THAT ACTUALLY GETS ALONG.

Logitech GROUP Kit
with Intel® NUC

Finally, the flexible collaboration solution you've been waiting for to enhance productivity, strengthen personal connections, and deliver a truly awesome video conference experience. Logitech® GROUP Kit with Intel® NUC video conferencing system — configured and validated for performance and compatibility — includes a Logitech GROUP, Wireless Touch Keyboard K400 Plus, Intel® NUC, Intel Unite™ and Iluminari Quicklaunch SE.

No more guesswork trying to figure out which components work together. This pre-configured collaboration bundle provides rich, beautiful HD video conferencing that works with any VC software application or cloud service — including the ones you already use.

No need to waste precious time trying to get things to work: simply walk into the room and quickly start your meeting.

The Illuminari Quicklaunch SE interface provides a simple, consistent, and familiar experience time after time, and can be easily customized to meet the needs of different teams. The high-performance, small form factor Intel NUC, with Intel Unite, delivers s robust collaboration and sharing experience meeting after meeting.

Welcome to a whole new era of video conferencing flexibility and simplicity with the Logitech GROUP Kit with Intel® NUC.

Logitech GROUP Kit
with Intel® NUC

### Configured and Validated for Performance and Reliability
No more guesswork trying to figure out which components work best together to support a premium and consistent group meeting experience.

Easy-to-buy
In a single package, you get a video conferencing bundle that includes an Intel® NUC, Intel Unite, Logitech GROUP, and Logitech wireless keyboard. This bundle can be easily purchased through your channel partner of choice.

Scalable and Affordable
Deploy video in every meeting room at a fraction of the cost to upgrade your current video conferencing solution and avoid unnecessary maintenance costs.

Logitech GROUP Kit

LOGITECH GROUP

Full Duplex Omni-Directional Speakerphones
Hear and be heard with life-like sound that's crisp, clear, and highly intelligible. Audio range 6 m/20-foot diameter around the speakerphone.

High Quality HD Video at 30 Frames Per Second
Brings life-like full HD video to conference calls, enabling expressions, non-verbal cues and movements to be seen clearly.

90° Field of View with Pan and Tilt
The generously wide field of view and silky smooth pan and tilt controls make it easy to see everyone in the room.

Optional Expansion Mics
Expand the audio range to 8.5 m/28-foot with optional microphone pods.

INTEL NUC WITH INTEL UNITE

High performance across all uses
5th generation Intel Core i5-5300U vPro processor.

Ultra-compact form factor fits almost anywhere
4.53" x 4.37" x 1.9" small footprint.

Microsoft® Windows® 10 Pro
Helps you to manage your devices, apps, and identities in a way that scales up or down with your business needs.

Intel Unite
Software powers secure, connected meeting spaces — whether your colleagues are sitting around the table or halfway around the world. Intel Unite enables wireless content sharing from PC and Mac® devices alike.

ILUMINARI QUICKLAUNCH SE

A consistent yet flexible video conferencing experience
Iluminari Quicklaunch SE delivers a simple and consistent interface. It's completely flexible and can be customized to meet the specific needs of different workgroups. Auto-reset provides a clean start anytime at the push of a button.

Protect against unwanted changes
Lock-down your system with kiosk mode.

'Room Reset' feature
Securely end meetings and keep your confidential data secure.

Integrated camera control
Provides easy access to camera controls.
